## CV – Alexander Hellstén

---

### Profile and Career Objective

I am a positive 19-year-old who enjoys challenges. I graduated from the Technology Program at Grillska Gymnasiet Eskilstuna in June 2024. Shortly after the summer, I began working as a construction worker. In my free time, I spend a lot of time programming. I am interested in pursuing a career in software development in the future.

---

### Education

#### 2021 – 2024

**Technology Program**, Grillska Gymnasiet Eskilstuna

Specialization: Information and Media Technology

Favorite subject: Programming

Strong skills in problem-solving and software development

High School Project: Website development
